Please click on the link and complete the parent survey prior to the December 16th deadline. [Qualtrics Survey | Qualtrics Experience Management](#)

Morning Attendance

We're concerned with the number of students arriving late to school each morning. While we understand the 8:00 a.m. start makes things difficult, arriving late is a disruption to their learning and creates logistical challenges at the school. Please do what you can within your household to have your child arrive to school on time each day. Thank you!

Banff Trip Fundraiser

Students going on a trip to Banff in February are fundraising to offset the cost. The fundraiser is being run through "Farm to School" where customers can purchase vegetables through an internet link with 50% of the proceeds coming directly back to the school! Better yet, the prices are comparable to your local supermarket. The deadline to order is 11:00 p.m. on December 4th with all deliveries occurring December 14th. The link to purchase is [Products - Farm to School](#)

Purchase your 2022/23 YEARBOOK!

Looking for a great gift for your child this holiday season? Consider pre-purchasing them a G.S. Lakie Middle School yearbook. The books are \$30 and can be bought using [School Cash Online](#). The yearbook students chose an 80's theme for this year's book; they gave it the title *Lakie Things* and are using funky retro backgrounds throughout the book. Books will be available for purchase until the end of January and will go home with students at the end of the school year. PLEASE NOTE: Books have been available for pre-purchase since the start of the school year, so please ensure you have not already ordered one prior to purchasing.

Math Attack Contest @ UofL

My name is Amanda Dang, and I am contacting you on behalf of Team Math Attack Society (MAS), a student-led organization focused on helping students pursue STEM opportunities! MAS will be holding its annual math competition for Grades 6 - 9 on December 17th! The Lethbridge contest will be from 12:00 pm - 6:00 pm MST at the University of Lethbridge where lunch will be provided! Participation is completely free and can be done in teams of 1 - 3! Winners will be receiving medals and gift cards!

I'm hoping you can share our contest with the Grade 6 – 9's of your schools since the contest is a fun challenge for students interested in math and a way to meet other students! I've linked the online registration form, and our website link if you need more information! If any students have questions, they can be directed toward me via my email!

Last year's Minecraft Challenge went over very well and so this year our LSD Tech Department is putting on a Lego Challenge!! See the poster below for some additional details and then go to their [website](#) for even more information! Submissions aren't due until February 28th, 2023 so students have lots of time to come up with ideas and get to work.

Basketball Referees

We've had some potential referees fall through for our home basketball games this winter. If you have experience in this department and would be willing to help please contact our AD, Mr. Brunner, at matthew.brunner@lethsd.ab.ca. Home games would start at 4:00 p.m. & 5:15 p.m. and are usually on Tuesdays and Thursdays. Mr. Brunner can discuss pay with you once you reach out to him.

Attendance – Absences

Daily attendance can be monitored via PowerSchool, as mentioned above. If your child is going to be away or needs to leave early, please inform the office in advance. This can be done by phone, or better yet, the Safe Arrival app. You can download this in the app store on your phone (SchoolMessenger app) or submit it on the Safe Arrival website (<https://go.schoolmessenger.com>).
