Morning Attendance

We’re concerned with the number of students arriving late to school each morning. While we understand the 8:00 a.m. start makes things difficult, arriving late is a disruption to their learning and creates logistical challenges at the school. Please do what you can within your household to have your child arrive to school on time each day. Thank you!

Purchase your 2022/23 YEARBOOK!

Looking for a great gift for your child this holiday season? Consider pre-purchasing them a G.S. Lakie Middle School yearbook. The books are \$30 and can be bought using [School Cash Online](#). The yearbook students chose an 80’s theme for this year’s book; they gave it the title *Lakie Things* and are using funky retro backgrounds throughout the book. Books will be available for purchase until the end of January and will go home with students at the end of the school year. PLEASE NOTE: Books have been available for pre-purchase since the start of the schoolyear, so please ensure you have not already ordered one prior to purchasing.

LSD 2022/23 Lego Challenge

Last year’s Minecraft Challenge went over very well and so this year our LSD Tech Department is putting on a Lego Challenge!! See the poster below for some additional details and then go to their [website](#) for even more information! Submissions aren’t due until February 28th, 2023 so students have lots of time to come up with ideas and get to work.

LSD Town Hall – Need Volunteers

The annual Lethbridge School Division Town Hall is scheduled for Tuesday, February 7th and each school has been asked to advertise this event as well as find volunteers to attend. We are in need of six parent volunteers, four students and one community member to attend this event on behalf of our school. A cross section of attendees brings diverse perspectives to the table. Please email brad.dersch@lethsd.ab.ca if you would like to be a part of this.

Attendance – Absences

Daily attendance can be monitored via PowerSchool, as mentioned above. If your child is going to be away or needs to leave early, please inform the office in advance. This can be done by phone, or better yet, the Safe Arrival app. You can download this in the app store on your phone (SchoolMessenger app) or submit it on the Safe Arrival website (<https://go.schoolmessenger.com>).

Please note – *Prior to the break we had more students away than normal. This is alarming to AHS and our school alike. Please ensure you report absences as accurately as possible and only report your child “sick” if actually ill. If absent for other reasons, you can report it as excused but not sick. Thank you for your assistance with this.*

YMCA “Try-It” Program

Program Information:

The program will teach foundational sport specific skills and strategies in a fun, dynamic environment. Every week, YMCA Coaches will focus on a different activity while also empowering youth to find joy in being active. Each session will consist of a fun warm-up game, activities that focus on specific skill development and a recreational game where the participants can apply the skills they've learned.

Who:

Youth in Junior High and Middle School

When:

January 11th to February 15th, 2023

Wednesday Nights

6:00pm – 7:00pm

Where:

YMCA of Lethbridge

If you have questions, contact Jesse.dyck@lethbridgeymca.ca; Direct Line: 403-942-5763 ; YMCA Membership: 403-942-5763

PowerSchool & School Cash Online

PowerSchool allows you to view updated information on your child’s grades, homework and attendance. School Cash Online is an electronic payment system for all fees, etc. ***This year School Cash Online will be used for preordering lunches for your child.***

If you need assistance signing up for PowerSchool or School Cash Online, please call the office at 403-327-3465.

Follow Us !!!

As always, feel free to follow us on Social Media. If you want to see all of the great things that we are doing at Lakie, check us out on one of our Social Media Platforms:

Community Information and Flyers

LETHBRIDGE SCHOOL DIVISION LEGO CHALLENGE

A MARVELOUS FEAT OF ENGINEERING

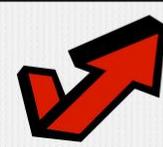

Using only Lego, skillfully put together a Lego object that displays design and engineering. The build can use engines, machines, and structures to create a unique object that shows what you can do with Lego. It may be something as simple as building a house or creating a working robot. The ideas and possibilities are endless!
