Board of Trustees Parent Survey – Values

The Lethbridge School Division Board of Trustees is exploring the values, vision, and mission of the Division in an effort to ensure they reflect the community they serve. This process begins with developing shared values. Values are what individuals believe are important for guiding actions and decisions in the Division. They are the foundation for a vision and mission. The purpose of the Values Survey below is to collect feedback from stakeholders about the values they believe are important for guiding decisions and the Division's identity. Deadline for completing the survey is February 2nd.

Cell Phones

A reminder that devices can be a major distraction at school. There are many issues associated with students bringing devices to school with the most important being a distraction to learning. If you choose to allow your child to bring their device to school, please remind them they are not to be brought to classes unless invited to do so by the teacher. Students have lockers to store personal belongings during the day. Thanks for your assistance with this.

Oranges for Options

G.S. Lakie Parent Council has organized a fundraiser to raise money for a variety of equipment needed around the school for options programs. Between January 23rd and February 1st, we are encouraging families to order fresh oranges to be delivered to the school for pickup February 13th. Orders are to be made on [School Cash Online](#). Check out the attached flyer for more details!

Pink Shirt Day – Purchase a Pink Shirt!

We're proud to partner with Public Image Co. for families and students to purchase a pink shirt for our celebration Friday, February 17th. Orders must be made prior to Sunday, January 29th. Please select "delivery to GS Lakie" at checkout, to have your shirts delivered to the school for distribution. The following link can be used to select a shirt, size and design:

[#BeKindYQL Fundraiser 2023 | Public Image Co. | powered by OrderMyGear \(itemorder.com\)](#).

A portion of funds collected from the sales are being donated to the Child Advocacy Center which is being developed to support children and youth who have experienced emotional, physical and sexual abuse, or severe neglect, so they can receive support and resources they need throughout the entire disclosure, investigation and judicial process.

2023/24 Lethbridge School Division Calendar

Next year's LSD calendar has been released. You can find this [here](#).

LSD 2022/23 Lego Challenge

Last year's Minecraft Challenge went over very well and so this year our LSD Tech Department is putting on a Lego Challenge!! See the poster below for some additional details and then go to their [website](#) for even more information! Submissions aren't due until February 28th, 2023 so students have lots of time to come up with ideas and get to work.

Attendance – Absences

Daily attendance can be monitored via PowerSchool, as mentioned above. If your child is going to be away or needs to leave early, please inform the office in advance. This can be done by phone, or better yet, the Safe Arrival app. You can download this in the app store on your phone (SchoolMessenger app) or submit it on the Safe Arrival website (<https://go.schoolmessenger.com>).

Please note – Prior to the break we had more students away than normal. This is alarming to AHS and our school alike. Please ensure you report absences as accurately as possible and only report your child "sick" if actually ill. If absent for other reasons, you can report it as excused but not sick. Thank you for your assistance with this.

Math Help Sessions

The YMCA is offering Math help sessions for junior & senior high school students. The sessions run every Tuesday from 3:30-6:30 p.m. in the upper galleria (if students are confused, they can ask membership for directions). This is a trial program which is drop-in based. Youth just need to arrive with their schoolwork to receive help. Youth DO NOT need to be YMCA members to attend. The program will be facilitated by a trained math teacher with experience working with grades 6-12 and **starts January 10th**. (See attached flyer)

Follow Us !!!

As always, feel free to follow us on Social Media. If you want to see all of the great things that we are doing at Lakie, check us out on one of our Social Media Platforms:

LETHBRIDGE SCHOOL DIVISION LEGO CHALLENGE

A MARVELOUS FERT OF ENGINEERING

Using only Lego, skillfully put together a Lego object that displays design and engineering. The build can use engines, machines, and structures to create a unique object that shows what you can do with Lego. It may be something as simple as building a house or creating a working robot. The ideas and possibilities are endless!
