See the poster below for some additional details and then go to their [website](#) for even more information! Submissions aren't due until February 28th, 2023 so students have lots of time to come up with ideas and get to work.

Math Help Sessions

The YMCA is offering Math help sessions for junior & senior high school students. The sessions run every Tuesday from 3:30-6:30 p.m. in the upper galleria (if students are confused, they can ask membership for directions). This is a trial program which is drop-in based. Youth just need to arrive with their schoolwork to receive help. Youth DO NOT need to be YMCA members to attend. The program will be facilitated by a trained math teacher with experience working with grades 6-12 and **starts January 10th**. (See attached flyer)
