Middle School Registration

Middle School registration will begin on March 24th and close around April 14th. Information from Lakie for grade 5 students moving into grade 6 will be sent directly to each feeder school, with key dates for orientations and parent nights outlined. Click [here](#) for the comprehensive Division letter to parents with all dates and information.

Lakie Lunch Program

Mindful Munchies is a program run by the Lethbridge Food Bank Society that currently provides daily lunches for those in need at Lakie. Our Wellness Team oversees this program and are currently feeling a bit stretched due to students accessing it that may not be in need. Please speak to your child and remind them this is not a program for students that may have forgotten their lunch or didn't have time to make it. We obviously don't want to turn away students that don't have a lunch but also want to be sure we have enough for those that require the service.

LSD 2022/23 Lego Challenge

Last year's Minecraft Challenge went over very well and so this year our LSD Tech Department is putting on a Lego Challenge!! See the poster below for some additional details and then go to their [website](#) for even more information! Submissions aren't due until February 28th, 2023 so students have lots of time to come up with ideas and get to work.
