Crosswalks Near Lakie – Safety of Students

It has been brought to our attention that students are putting themselves in harms way by either not using crosswalks or darting across roads at the beginning and end of each day. While we've added this item to our daily announcements for the past week, we wanted to bring it to your attention as well. Please use caution when picking up or dropping off your child. Please also speak with your child about ensuring vehicles come to a complete stop before crossing the street. With the number of distracted drivers in our world, we always want our children to assume drivers don't see them.

Social Media Concerns

While we feel the new Device policy at Lakie has made a huge improvement to engagement in the classroom, we're still experiencing issues with improper use of devices outside of school time. Social media issues that happen between students often end up being dealt with by school administration. They're incredibly stressful and time consuming for all. It's imperative for families to know what your child is doing online. Please ensure you're working with your child by setting strict boundaries, you take time to go through their device and see what they're doing and you speak with them about being a good digital citizen.

Attendance - Absences

Daily attendance can be monitored via PowerSchool, as mentioned above. If your child is going to be away or needs to leave early, please inform the office in advance. This can be done by phone, or better yet, the Safe Arrival app. You can download this in the app store on your phone (SchoolMessenger app) or submit it on the Safe Arrival website (<https://go.schoolmessenger.com>).

PowerSchool & School Cash Online

PowerSchool allows you to view updated information on your child's grades, homework and attendance. School Cash Online is an electronic payment system for all fees, etc. ***This year School Cash Online will be used for preordering lunches for your child.***

If you need assistance signing up for PowerSchool or School Cash Online, please call the office at 403-327-3465.
