Attendance Matters!

Did you know?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with schoolwork, dealing with a bully or facing some other difficulty.
- By 6th grade, absenteeism is one of three signs that a student may not graduate high school
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days per month, over the course of the school year, can affect a student's academic success.

Rock your mocs #Rockyourmocs

What?
Rock your Mocs is a Nationwide day of recognition, awareness, and appreciation for traditional Indigenous culture and, in particular, traditional footwear, Moccasins. Indigenous and non-Indigenous people all over Canada have been wearing Moccasins for #rockyourmocs since 2011.

When?
Friday, November 15

Are slippers the same thing as Moccasins?
Nowadays, people wear moccasins as slippers, but traditionally, moccasins were worn as indoor and outdoor shoes. Moccasins were worn to protect people's feet from the land and keep them warm and/or dry.

What if you don't have moccasins?
No problem! You don't have to go and buy moccasins to help celebrate Rock your mocs. Keep reading for various ways to participate in Rock your Mocs! You can also wear a turquoise ribbon!
