**G.S. Lakie Middle School ignites your potential!
Explore a variety of exciting option classes, make
friends, and conquer new challenges.**

**Don't be afraid to step outside your comfort zone -
middle school is all about discovery!**

General Information for Options

Information on Selecting Options

At G.S. Lakie we offer a wide variety of option courses. As a grade six student, you are **required** to take one Music option and one Art option (you may take more if you desire). Your remaining selections may be made from all options listed. In total you will be required to select **8** option choices before submitting.

The following “planning guide” is designed to help you select your choices, while assuring you have met the requirements. We suggest students and parents/guardians sit together to complete their option selections.

Process:

1. Log into PowerSchool
2. Click on the “**Class Registration**” tab
3. Click on the ‘**EDIT PENCIL**’ on the right hand side of the screen
4. Select **8 options** that you would be interested in taking
5. Once you’ve selected your options hit “**OKAY**” on the bottom of the selection screen.
6. Then click ‘**SUBMIT**’ at the bottom of the ‘Class Registration’ main page.
7. Only then will your selections be processed in the system.

Reminders:

- The school year is divided into 3 terms and each term has 2 option blocks. This means students could potentially have six different options per year.
- Some options have a supplementary fee to cover material and supports. These are noted within the description area and are added on via School Cash Online in the fall.
- Some options are considered “**multi-term options**” meaning they occur for more than one term. However, you still need to fill in a total of **8** options before submitting.
- This process does not prioritize preferred options, nor do we track who selects options when.
- We ask you over-select classes, as courses are filled based on interest and capacity limits.
- You will be given your successful options selections upon return in the fall.

PLEASE NOTE: Depending on student numbers, students’ option selections, and teacher schedules, option courses may not be offered.

Option Planning Guide

Step 1: Grade 6 students are required to take an Art/Design option, so please make sure you select **one** of the Art based options, listed below, when you are registering in PowerSchool

Art 6

Creative Craft & Design 6

Sewing & Fabric Arts 6

Step 2: Grade 6 students are required to take a music-based option, so please make sure that you select **one** of the Music based options, listed below, when registering in PowerSchool

Band 6 (3 terms)

Music Guitar 6

Music Madness 6

Step 3: Now you will be asked to select **6** additional option choices that you would be interested in taking. Even though you will only have a total of six option periods throughout the year, we will need to have some alternatives just in case.

Animal Care 6

Art 6

Lakie Option Program Descriptors

ANIMAL CARE 6

Number of Terms: 1 **Experience Needed:** None **Fees or Costs:** \$15

Have you ever wondered how to take better care of your dog or cat at home? Do you want to know more about farm animals and how to take care of them? In this class we will explore more about the basic steps involved in raising and caring for domestic animals. You will learn about environmental needs, basic animal first aid, nutritional care, injuries, diseases, and animal protection laws. This would be a great class for anyone thinking about pursuing a job in the animal industry. Hands-on activities, projects and research will all be part of this option. The fee will help cover potential field trips and the cost associated with first aid equipment.

ART 6

Number of Terms: 1 **Experience Needed:** None **Fees or Costs:** Your Own Supplies

EVERYONE can draw and create art! If you think you can only draw a stick man, take this class, and you will amaze yourself at what you can do as an artist! Art is about making people feel, see or think differently, not just about technique or skill. This Art 6 class will have a variety of art projects that ensure success and increase creativity. By the end of the term, everyone will not only feel like an artist, but be one. Some projects for Art 6 will be showcased in a variety of ways, which may include, but are not limited to: around the school, art shows, the community, and school productions. This will be a fun and creative class in which everyone can be successful and learn new techniques.

Note: There are additional supplies that you will need to purchase for this class. This list of supplies will be given out on the first day of the term.

BABYSITTING 6

Number of Terms: 1 **Experience Needed:** None **Fees or Costs:** \$22 (cost of manual)

In this course, we will follow the outcomes set out by the Canadian Safety Council Babysitters Course. You will learn childcare basics for children at various ages and stages, how to get and keep babysitting clients, activities to do with children of various ages, and how to keep children safe under your care. We will also spend some time discussing the business of babysitting. Students who pass the course will receive certification through the Canadian Safety Council

BAND 6

Number of Terms: 3 **Experience Needed:** None **Fees or Costs:** **Instrument Rental**

If you have a passion for music, Band is where you want to be. Band offers personalized instruction to meet each student's needs and helps them grow as musicians by learning to play an instrument, reading music, participating in group activities, and becoming a confident individual.

Lakie bands perform in concerts, music festivals, and go out of town once per year in grades 7 and 8. We learn different genres of music including traditional band music to jazz, popular, and movie scores. If you excel early in band, you may be invited to join the after-school Gator Jazz program even in grade 6.

With a supportive and inclusive environment, the Lakie Band Program is a great place to explore musical interests and talents, regardless of skill level or experience! Participation in band will be the beginning of a long and

rewarding journey with instrumental music! Regular practice at home and attendance at performances is required.

BOARD GAMES 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

In this option, we will explore and play a variety of different games. In addition, you will have the opportunity to create your own games. Along the way, you will also: · Increase brain function · Learn how to set goals and develop patience · Develop and strengthen relationships with new people · Increase happiness and decrease stress · Enhance creativity and self-confidence

COOPERATIVE GAMES 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Do you want to improve your strategic skills while playing games you love? If so, then this is the option for you! Students in this class will have fun playing a variety of games developing their abstract critical thinking and cooperation skills.

Some of the brain boosting benefits of strategic games include enhanced memory, concentration, strategy function and problem-solving skills.

Through cooperative games students will also develop their level of teamwork, conflict resolution, self awareness, communication and leadership.

COSMETOLOGY – WELLNESS 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: \$25

This class is all about good vibes and empowerment! Students will dive into self-care, creativity, and mindfulness projects while building confidence and community. Through fun activities and group challenges, students will explore what it means to feel empowered, stay balanced, and support one another. Students will get hands on Cosmetology experience exploring nail art, theatrical makeup, skin care and hair design. Students will also participate in various mindful activities such as Yoga, Pilates, clay jewelry design, card making and canvas crafts.

We'll get outside, breathe fresh air, play fun games, and finish it all off with a relaxing spa day celebration. Get ready for a feel-good journey that blends creativity, confidence, and connection!

"Self-care is not selfish. You cannot serve from an empty vessel."

– Eleanor Brown

CREATIVE CRAFT & DESIGN 6

Number of Terms: 1

Experience Needed: None

Fees and Costs: \$25

Get ready to bring your creative visions to life! In this hands-on, dynamic class, students will dive into the exciting world of design, exploring both digital and tactile art forms. Using the elements and principles of design, students will craft projects that showcase their unique style.

From digital magic with Canva and Cricut to traditional artistry like embroidery, crochet, and macramé—this class is all about learning new skills while having fun. Whether you're sketching fashion designs, experimenting with printmaking, beading dazzling accessories, or designing costumes, you'll discover how creativity connects to real-world craftsmanship.

DANCE: BEGINNER HIP HOP 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

This dance class is designed for those students who just want to have fun grooving to beats you love! During this Beginner Hip Hop class, students will have the opportunity to try new dance skills and original choreography. This course incorporates a variety of dance styles and music. Through Participation in this class, students will improve muscle strength, balance, coordination, flexibility, core stability and cardiovascular fitness. In addition to improved technique and artistic expression, dancers will build spatial awareness, resilience, musicality, creativity, and self-confidence.

Please Note - This is **NOT** a performance-based class and is meant to be a fun and relaxing way for students to try something new. A pair of indoor runners will be needed for this class.

DANCE: FUSION PERFORMANCE 6

Number of Terms: 2

Experience Needed: None

Fees or Costs: \$45

Step into the spotlight and take your dance journey to the next level! As a member of the Lakie Dance Team, you will develop new skills and learn original choreography in a fun, supportive environment. This dynamic class is open to all experience levels—from absolute beginners to advanced dancers.

Throughout the term, you will also have the chance to collaborate with professional choreographers from all over Canada. Dance styles you may explore include Ballet, Jazz, Acro, Yoga, Contemporary, Modern, Broadway, Tap, Hip-Hop, Swing and Latin. Students in this program may earn the exciting opportunity to perform in our culminating Dance Production at the Yates Memorial Theatre in term two.

For more information, please see our website www.kristileggedance.ca, social media platform www.instagram.com/leggedance/ or please contact Kristi Legge at Kristi.Legge@lethsd.ab.ca for more information.

DANCE: LAKIE HIP-HOP 6

Number of Terms: 2

Experience Needed: Previous Dance Class

Fees or Costs: \$45

As a member of the Lakie Hip-Hop Dance Academy, you will have a blast dancing to some swaggy beats! This class will focus on learning the fundamentals of Hip-Hop dance and students will develop an appreciation for Hip-Hop Culture. Students enrolled in this class may earn the opportunity to perform in our upcoming Dance Production at the Yates Theatre in term two.

If you want to make new friends and have a blast grooving to the beats you love, this class is for you!

For more information, please see our website www.kristileggedance.ca, social media platform www.instagram.com/leggedance/ or please contact Kristi Legge at Kristi.Legge@lethsd.ab.ca for more information.

DIGITAL LITERACY 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Digital Literacy 6 offers students a chance to develop their computer skills and be given the confidence to keep up with changes in technology. The aim of the course is to equip students with the basic computer skills needed to enhance classroom assignments and projects during their middle school experience and beyond. This course will focus on areas such as email use, file organization, keyboarding, word processing and web design. Students will learn how to utilize their One Drive and Office 365 which they have access to at home through the web. Office 365 offers a wide range of applications and is useful anywhere you go. The latter half of the course students are able to explore their passions which can involve, but not limited: coding, hardware management, video editing, image editing, etc. This is a great course to take if you are less familiar with how to use a computer for practical applications.

DRAMA 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

The goals of Drama 6 are to encourage and develop a more confident student by creating a space where students work together, learn together and play! Students will experiment with dramatic techniques of movement, speech, and play. We will play cooperative games, work with improvisational skills, and workshop several small skits. This is not a performance-based option, although performances within class are to be expected.

FOODS & NUTRITION 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: \$37

Students in Grade 6 Foods will make (and eat) a variety of foods and are taught to use basic tools, small electrical appliances and the stove and oven. Students will make decisions about which foods they cook in class based on their nutritional needs, as well as food restrictions that may be present within their group. As they progress through the grade levels, students are encouraged to create and tackle recipes and projects that are more challenging, and to share their new skills and recipes with their families. There is no pre-requisite for this class at any grade, all levels of experience are welcome.

FORENSICS 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Forensics 6 is an investigative science and technology course. Using scientific inquiry skills, students will learn how to observe, collect, analyze and evaluate evidence found at crime scenes. The purpose of this course is to expose students to a variety of forensic fields and careers. Throughout the course, students will learn how to conduct experiments, evaluate forensic analysis techniques, develop critical analytical skills, and work collaboratively with other students to analyze and solve problems.

MARINE BIOLOGY 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Have you ever wanted to learn more about ocean animals and creatures? Wanted to become a marine biologist as a job? In this option you will explore the truths and myths about ocean animal captivity programs, rehabilitation organizations, and learn more about organisms found within different ocean ecosystems around the world. We will explore human impacts like ocean pollution and the lasting effects on marine animals. You will also learn basic navigational skills to read and interpret nautical charts, parts of boats and marine safety as well as exploring more about marine jobs to live out your dream making a living on the ocean!

MUSIC MADNESS 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Music Madness 6 is a one term option designed to meet the Alberta curriculum requirements for grade 6 students. This class will be mandatory for all grade 6 students not enrolled in any other music options at G.S. Lakie. In this hands-on music class, students will explore the sound of various musical instruments, play a steady beat using rhythm instruments, and recognize music and some composers of other times, places and cultures. No previous musical training is required to be successful in this class. Our goal is to let everyone experience the fun of playing music together on various instruments, develop listening skills and to acquire more music aptitude.

MUSIC GUITAR 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

This class is an “intro” to playing the guitar. Students will start by learning the parts of the instrument and the different types of guitars. Reading music notation on the guitar will be covered leading into basic chords, songs, and proper playing technique. Students will learn to play many styles including rock, blues, and classical. The class will also perform for assemblies and special events. These performances will be in a guitar ensemble and rock band setting. Beginner players will leave playing well, and intermediate players will acquire advanced techniques. If you love rocking out in Guitar 6, you may find yourself in other classes like Rock & Pop in grade 7 and 8 where the inner Rock Star in you will be given the stage and spotlight to shine bright!

MODERN SHOP & MAKER SPACE 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: \$25

Lakie has an amazing construction shop and maker space that allows students to get some literal “hands on” experience working with tools and other construction materials. Our facility features not only woodworking, but metal fabrication and technology as well. The shop has all of the tools and machines that one would find in an industrial setting, as well as including some exciting technology such as a 3D printer, CNC computerized caving machine, and computers/video equipment for designing projects and documenting learning. All students who take shop start the term by passing a series of safety courses and quizzes before they are allowed to use the different power tools. In grade six, the construction projects are more prescribed as the students learn how the tools are used and build their foundational skills.

OUTDOOR EDUCATION 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: \$30

If you like the outdoors, and you love a challenge, then this is the option for YOU! The focus of this course will be on practical knowledge ranging from wilderness survival, core camping skills, wildlife diversity and conservation, and orienteering level 1. What if you were stranded outdoors? Or lost? What would you do? How do you set up a proper campsite? How do you find your way? Be prepared to learn everything from using a map and compass, to starting a fire and be prepared to work with others. This option will be action packed with many hands-on activities and will also involve many little challenge tasks along the way. This option does involve writing reports/ assignments and small quizzes to determine knowledge retention.

SCIENCE, E-GAMES & TECH 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

How would you like a 3 for 1 deal? This option course has three mini options built into one time slot! Computers, Games & eGames and EyeON science. A condensed computer curriculum introduces students to basic Microsoft Productivity software such as Word, Power Point and Excel. It also includes an introduction to keyboarding and basic coding.

eGames introduces students to eSports and builds a cooperative pool of school-appropriate online gaming communities. Students will learn about how eSports work as well as learn tips and tricks to start becoming an e-Athlete.

EyeON science is a fun, fast moving option that is a crash course in all thing's science. Relevant, new research exploring most topics that are selected by students. We learn about various topics such as space travel and resettlement, dinosaurs, cloning, environmental sciences and other interesting topics not found in standard science curriculum. This option ends with a virtual science fair project and is taught with technology in mind.

SEWING & FABRIC ARTS 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: \$25

Students in Grade 6 Sewing learn new skills, develop existing skills and integrate them with other interests. They will make assigned projects, usually including:

- Drawstring bag
- Throw Pillow
- Pillowcase
- PJ Pants

If there is time left in the term there will be another project available for them to do.

There is no pre-requisite for this class at any grade, all levels of experience are welcome, there is an expectation that students can work somewhat independently once they have learned the skills. In addition to the \$20 course fee, students provide their own material for most projects.

SPORTS ENRICHMENT 6

Number of Terms: 1

Experience Needed: None

Fees or Costs: None

Here is a chance to enjoy physical exercise and games that you don't always have a chance to do in Phys Ed or community sports. This option is designed to build strength and endurance one week followed by a sport/game the next week. During fitness weeks you will learn proper techniques to lift weights, train agility and increase your

cardio capacity. During sport weeks, you will try Ultimate Frisbee, Disk Golf, Speedminton, Spikeball and other games that will challenge you. Your grade is based on your attitude, effort and cooperation as you develop new skills. If you show up with a positive attitude every day and do your best, you will be very successful in this class and hopefully enrich your athletic ability!
